

RECRUITMENT OPPORTUNITY

ROLE

GRADUATE RURAL SURVEYOR

COMPANY

BCM LLP

OFFICE LOCATIONS

Winchester office: Sutton Scotney, near Winchester

Oxford office: East Ilsley, near Newbury

Isle of Wight office: Merstone, near Newport

JOB DESCRIPTION

BCM undertake a wide variety of rural professional work which includes our core disciplines of rural asset management, sales and purchase, lettings and design & planning. The team operate from offices near Winchester, Oxford and the Isle of Wight and cover much of central, southern England.

Due to continued growth within the company, an opportunity has arisen for a Graduate Rural Surveyor to join our highly professional team of rural surveyors and assist with a wide variety of work to include; estate and farm management, farm and environmental grant schemes, sales and purchase, planning and development, lettings and other rural professional work.

The candidate should be educated to degree level (attained or predicted a 2:1 or above in a relevant degree, ideally RICS accredited but not essential) or have relevant experience. They should be committed to becoming a Member of the RICS and Fellow of the CAAV together with completing any RICS accredited Masters course or apprenticeship.

The candidate will be part of a dynamic, enthusiastic and friendly team which will allow for excellent career prospects and development within the industry.

The successful candidate can expect the support of a professional team and the chance to build a career within a dynamic property consultancy business.

A competitive salary and training package will be offered.

HOW TO APPLY
